

4 Seasons of Loneliness

Boyz II Men

I long for the warmth of days gone by when you were mine
But now those days are memories in time
Life's empty without you by my side My heart belongs to you
No matter what I try
When I get the courage up to love somebody new
It always falls apart 'cause they just can't compare to you Your love won't release me, I'm bound
under ball and chain
Reminiscing our love as I watch 4 seasons change
In comes the winter breeze that chills the air and drifts the snow
And I imagine kissing you under the mistletoe When springtime makes it's way here
Lilac blooms reminds me of the scent of your perfume
When summer burns with heat, I always get the hots for you
Go skinny dippin' in the ocean where we used to do
When autumn sheds the leaves, the trees are bare
When you're not here, it doesn't feel the same Remember the nights when we closed our eyes
And vowed that you and I would be in love for all time
Anytime I think about these things I shared with you
I break down and cry 'cause I get so emotional Until you release me I'm bound under ball and
chain
Reminiscing our love as I watch 4 seasons change
In comes the winter breeze that chills the air and drifts the snow
And I imagine kissing you under the mistletoe When springtime makes it's way here
Lilac blooms reminds me of the scent of your perfume
When summer burns with heat, I always get the hots for you
Go skinny dippin' in the ocean where we used to do When autumn sheds the leaves, the trees are
bare
When you're not here, it doesn't feel the same
This loneliness has crushed my heart
Please let me love again
'Cause I need your love to comfort me and ease my pain
Or 4 seasons will bring the loneliness again
In comes the winter breeze that chills the air and drifts the snow
And I imagine kissing you under the mistletoe
When springtime makes it's way here
Lilac blooms reminds me of the scent of your perfume
When summer burns with heat, I always get the hots for you
Go skinny dippin' in the ocean where we used to do
When autumn sheds the leaves, the trees are bare
When you're not here, it doesn't feel the same
Remember the warmth of days gone by
