

Siq With a Q

Blood On the Dance Floor

Sick with a q q q q,

You Know how we do do do do.

[x2]

You hate me so much.

I just got one question.

What the fuck is up, with your crazy obsession?

Pollution spilling from your lips,

Is only going to make me rich.

You be hating us, cause you're super envious.

I'm So sick, I'll make you vomit.

Go Ahead and leave your comments.

This is how we getting down.

This is how we getting down.

Honesty's appreciated.

Your opinion overrated.

This is how we getting down.

This is how we getting down.

Sick with a q q q q,

You Know how we do do do do.

[x2]

Text to my girlfriend, "I think I'm in love"

Blog on my Myspace about how this band sucks

You're not causing trouble.

You just made my bank account double.

Hehe.. you be hating us, cause you're envious.

I'm So sick, I'll make you vomit.

Go Ahead and leave your comments.

This is how we getting down.

This is how we getting down.

Honesty's appreciated.

Your opinion overrated.

This is how we getting down.

This is how we getting down.

Break The

Mold!

I'm Printed And I'm

Sold

And I'm ready To

Go...

I'm So sick, I'll make you vomit.

Go Ahead and leave your comments.

This is how we getting down.

This is how we getting down.

Honesty's appreciated.

Your opinion overrated.

This is how we getting down.

This is how we getting down.
