

# On Our Own

## Bobby Brown

Too hot to handle, too cold to hold  
They're called the Ghostbusters and they're in control  
Had 'em throwin' a party for a bunch of children  
While all the while the slime was under the building  
So they packed up their group, got a grip, came equipped  
Grabbed their proton packs off their back and they split  
Found about Vigo, the master of evil  
Try to battle my boys? That's not legalOW!  
UH!

Yeah I think this is gonna be another one of those funky ones  
Heart, soul, d-d-dance!If I was you, and you were me, you'd wanna be winning  
If you want something bad, yo, you gotta wanna give your all  
'Cause I believe so much in we - and know we're not kidding  
If you feel the same as me, yo, you gotta want to take the ball

Now I find out that nothing is given  
Don't know where the cards may fall  
All I know is that we've gotta get it  
We've gotta make it on our ownWell I guess we're gonna have to take control  
(all on our own)

If it's up to us, we've got to take it home  
(all on our own)Now can't you see that all we need to be a go-getter  
Gotta make your own decisions, you gotta go for what ya know  
It comes a time in our lives, you wanna be bigger  
Gotta keep, keep on pushing, you gotta learn to take control, yeahNow I find out that nothing is  
given

Don't know where the cards may fall  
All I know is that we've gotta get it  
We've gotta make it on our own  
Well I guess we're gonna have to take control  
(all on our own)

If it's up to us, we've got to take it home  
(all on our own)

Gotta, gotta, take it home, gotta, gotta, gotta take it homeOW!
