

# It's All Been Done

## Barenaked Ladies

I met you  
Before the fall of Rome  
And I begged you  
To let me take you home You were wrong  
I was right  
You said, "Goodbye"  
I said, "Good night" It's all been done It's all been done before  
I knew you  
Before the west was won  
And I heard you say  
The past was much more fun  
You go your way  
I'll go mine  
That I'll see you Next time It's all been done  
It's all been done before  
If I put my fingers here  
And if I say, "I love you dear" And if I play the same three chords  
Will you just yawn and say? "It's all been done  
It's all been done before"  
Alone and bored  
On a thirtieth century night  
Will I see you  
On the price is right?  
Will I cry?  
Will I smile?  
As you run  
Down the aisle  
It's all been done  
It's all been done  
It's all been done before  
It's all been done  
It's all been done  
It's all been doooooooooone... before
