

Numb

Usher

They say life is a battlefield
I say bring it on
If you wanna know how I feel
Live it till it's gone
I'm just saying that what don't kill,
Only makes you strong
If you don't recognize what is real,
Then forever is a long, long, long, long, long, long, long, long time Some things never change
here we go again
Feel like I'm losing my mind
Shake it off, let it go, I don't care any more
Just go numb
You never know until you let go
Let's go numb I can feel you now
Keep on doing the same old thing
And you expecting change,
Well is that really insanity
Or just a losers' game?
I only trust in the things I feel
Some may say that's strange
You better recognize what is real,
Cause forever is a long, long, long, long, long, long, long, long time Some things never change,
here we go again
Feel like I'm losing my mind
Shake it off, let it go, I don't care any more
Just go numb
You never know until you let go
We all go numb I can feel you now
Numb
Numb
I can feel you now
I can feel you now
I can feel you now But you can't feel it do you?
Numb Shake it off, let it go, I don't care anymore
Numb I can feel you now
Numb
I can feel you now
Numb
I can feel you now Can you feel it?
