

Don't Get Caught Slippin

Ace Hood

[talking: Ace Hood]

Ace Hood

Street certified

I'm a tell you one thang

don't get caught

Slippin' out on these streets homeboy

keep your

Eyes and ears open ya undastand

Cause it might go down

[Chorus: Ace Hood]

When the traps side up and the mac slow down

you better hit the deck cause it might

don't get caught slippin' yea it might go down

don't get caught slippin' cause it might go down.

Keep an eye on yo nigga

runnin round town

yea that little boy tellin' so it might go down

don't get caught slippin'

yea it might go down

don't get caught slippin' yea it might go down.

[Verse 1: Ace Hood]

Young nigga seventeen

tryin' get money

niggas laugh about the dough but really ain't shit funny

just watch who you serve with them birds little buddy

any fiend ain't fiend if you see em' look funny

you better tell ya team you don't need that money

that shit smell funny

you ain't gettin' shit from me

I stacked a couple hundred fiends on these somethin'

that white keep comin'

tell tha boy to keep bumpin'

well watch these folks keepin' enemies close an

any nigga kin to me betta not fold

he say he a friend to me but snitchin' to the po'

he waitin' on a court to tell the judge what he know

price on his head he'll be dead by fo'

so homie don't slip

or you could be him

no speakin' on the phone cause them Feds get tips

don't get caught slippin'

cause it might be them.[Chorus: Ace Hood]

When the traps side up and the mac slow down
you better hit the deck cause it might
don't get caught slippin' yea it might go down
don't get caught slippin' cause it might go down.
Keep an eye on yo nigga
runnin round town
yea that little boy tellin' so it might go down
don't get caught slippin'
yea it might go down
don't get caught slippin' yea it might go down.[Verse 2: Ace Hood]
And I won't be slippin'
the boy's on a mission
only vision of winnin' and my sight is on a million
servin' that white girl to any nigga wan get it
and fresh Louis linen dawg can call that pimpin'
that thang on my side homeboy I ain't slippin'
ya boys off snitchin' tell them niggas ain't with
it might go down so watch you do a round
niggas creep in the town leave bodies left on the ground
(don't get caught slippin')
cause the choppa get down
I spend in all black (incomprehensible) so keep away
the fakin' ain't a real nigga round
if you eva go down stay loyal to ya fam
and you don't know shit neva snitchin' on the mound
and homie don't slip cause it might go down
yea homie don't slip cause it might go down
and homie don't slip cause it might go down.[Chorus: Ace Hood]
When the traps side up and the mac slow down
you better hit the deck cause it might
don't get caught slippin' yea it might go down
don't get caught slippin' cause it might go down.
Keep an eye on yo nigga
runnin round town
yea that little boy tellin' so it might go down
don't get caught slippin'
yea it might go down
don't get caught slippin' yea it might go down.[Verse 3: Ace Hood]
And I run my city
I own my town
can't anotha man come and disrespect my grounds
ya eyein' ma nigga
ya want somethin' with em'
you wannna come get it
you'll be dodgin' ma missiles
yea boy it went down
ya homie done slipped
and now he in a coffin on a first class trip
yea boy it went down

ya homie done slipped
and now he in a coffin on a first class trip.[Chorus: Ace Hood]
When the traps side up and the mac slow down
you better hit the deck cause it might
don't get caught slippin' cause it might go down
don't get caught slippin' cause it might go down.
Keep an eye on yo nigga
runnin round town
yea that little boy tellin' so it might go down
don't get caught slippin'
yea it might go down
don't get caught slippin' yea it might go down.
