Bound to You

Christina Aguilera

Sweet love, sweet loveTrapped in your love
I've opened up, unsure I can trustMy heart and I were buried in dustFree me, free usYou're all I need when I'm holding you tightIf you walk away I will suffer tonightI found a man I can trustAnd boy, I believe in us
I am terrified to love for the first timeCan't you see that I'm bound in chains?I've finally found my wayI am bound to you
I am bound to you
So much, so young, I've faced on my ownWalls I built up became my homeI'm strong and I'm sure there's a fire in usSweet love, so pureI catch my breath with just one beating heartAnd I embrace myself, please don't tear this apartI found a man I can trustAnd boy, I believe in us
I am terrified to love for the first timeCan't you see that I'm bound in chains?
I've finally found my way
I am bound to you
I am bound to you
Suddenly the moment's here
I embrace my fears
All that I have been carrying all these years
Do I risk it all? Come this far just to fall?
Fall
I have can trust and boy, I believe in usI am terrified to love for the first timeCan't you see that I'm bound in chains?And finally found my way
I am bound to you
I am, ooh I am
I'm bound to you
