

# Put It on Me (feat. Vita)

## Ja Rule

Where would I be without my baby (baby)  
The thought alone might break me (ooh)  
And I don't wanna go crazy  
Cuz every thug needs a lady  
(Yeah, yeah) Girl it feel like you and I been mourning together  
Inseparable, we chose pain over pleasure  
For that you'll forever be a part of me  
Mind body and soul ain't no I in we baby  
(No, no)  
When you cry who wipes yo tears (you)  
When you scared, who's tellin you there's nothin to fear  
(you, you, you, you)  
Girl I'll always be there  
When you need a shoulder to lean on  
Never hesitate knowin' you can call on, your soul-mate  
And vice versa, dat's why I be the firsta  
See Jacob and frost your wrist up  
Now you owe me, I know you're tired of being lonely  
So baby girl put it on me Where would I be without you  
I only think about you  
I know you're tired of being lonely  
So baby girl put it on me  
Where would I be without you  
I only think about you  
I know you're tired of being lonely  
So baby girl put it on me Yo, and I appreciate the rocks  
and gifts that you cop me baby (ooh)  
And that house on the hill when you drop like 80 (yeah)  
On a down payment thinking damn ain't life gravy  
And ever since for my honey I been twice the lady  
What would I do without the nights that you kept me warm  
When this cold world had a girl caught in a storm  
And I accept when you riff when you caught in the wrong  
And respect when you flip, 'cause our love is strong  
And when you hit the block, I watch for 10-4  
And when my pops asleep you snuck in the backdoor  
Baby boy we been down since junior high  
So when life get as hot July it's the world against you and I  
We ballin', tied together and ever  
Heart from the heart, knew that it would last forever  
When you told me, you would never leave me lonely (lonely)  
So baby boy put it on me Where would I be without you

I only think about you  
I know you're tired of being lonely  
So baby girl put it on me Where would I be without you  
I only think about you  
I know you're tired of being lonely  
So baby girl put it on me Since we met it's been you and I  
A tear for a tear, baby eye for an eye  
And you know that my heart gone cry  
If you leave me lonely  
Cuz you not just my love you my homie  
Who's gonna console me, my love  
I'm outta control hold me, my love  
Cause I'm yours  
And I don't wanna do nothin to hurt my baby girl (ooooohh)  
If this was our world it would be all yours baby  
the thought alone might break me  
and i dont wanna go crazy  
coz every thug needs a ladyah, forgive you baby cuz thoughts eyes aint lyin  
wash away all the tears baby no more cryin (no more crying)  
baby, and you complete me  
and i would die if you aint with me  
so baby girl put it on me (come on) Where would I be without you  
I only think about you  
I know you're tired of being lonely  
So baby girl put it on me  
Where would I be without you  
I only think about you  
I know you're tired of being lonely  
So baby girl put it on me Where would I be without you  
I only think about you I know you're tired of being lonely  
So baby girl put it on me  
Where would I be without you  
I only think about you  
I know you're tired of being lonely  
So baby girl put it on me Where would I be without you  
I only think about you  
I know you're tired of being lonely  
So baby girl put it on me  
Where would I be without you  
I only think about you  
I know you're tired of being lonely  
So baby girl put it on me
