

# Heartbreaker (feat. Jay-Z)

Mariah Carey

Yeah  
Aight  
(We're gonna do it like this)  
Let's go  
JiggaGimme your love (16x)Hey, you gotta bounce to this like this  
You almost kinda watching this  
Aha  
Whooo!  
Escape  
Ooh your love's so good  
I don't wanna let go  
And although I should  
I can't leave you alone  
'Cause you're so disarming  
I'm caught up in the midst  
Of you and I can not resist at allBoy if I do  
The things you want me to  
The way I used to do  
Would you love me baby  
Or leave me feelin' blue  
Would you go and break my heart?Heartbreaker you've got the best of me  
But I just keep on coming back incessantly  
Oh why did you have to run your game on me?  
I should have known right from the start  
You'd go and break my heart  
Gimme your love (8x)It's a shame to be  
So euphoric and weak  
When you smile at me  
And you tell me the things  
That you know are stated  
To relinquish my love to you  
But I can not resist at allBoy if I do  
The things you want me to  
The way I used to do  
Would you love me baby  
Or leave me feelin' blue  
Would you go and break my heart?Heartbreaker you've got the best of me  
But I just keep on coming back incessantly  
Oh why did you have to run your game on me?  
I should have known right from the start  
You'd go and break my heart(Jay-Z rap):  
OK

Cool  
Aight  
Yo

She wanna shop wit Jay  
Play box wit Jay

She wanna pillowfight in the middle of the night  
She wanna drive my Benz with five of her friends  
She wanna creep past the block, spyin' again  
She wanna roll wit Jay, chase skeeos away  
She wanna fight wit lame chicks, blow my day  
She wanna respect the rest, kick me to the curb  
If she find one strand a hair longer than hers

She want

Make love in the Jacuzzi

Rub up in the movies

Access to the old crib,

Keys to da newbie

She wanna

Answer the phone

Tattoo her arm

Last one I got her

Sent it back to her mom

She call me heartbreaker

When we apart it makes her

Wanna piece of paper,

Scribble down 'I hate ya'

But she know she love Jay because

She love everything Jay say, Jay does, and a...Heartbreaker you've got the best of me

But I just keep on coming back incessantly

Oh why did you have to run your game on me?

I should have known right from the start

You'd go and break my heartHeartbreaker you've got the best of me

But I just keep on coming back incessantly

Oh why did you have to run your game on me?

I should have known right from the start

You'd go and break my heart
