

Surfaces

Iris Lune

[Verse]

Lost in a word I can't pronounce
Lost in a world that's left for chance

[Pre-Chorus]

While I hunt for answers
You and I can stay
Together, undercover
We should pray

[Chorus]

But oh, my God
Time will tear the ocean wide
My feet are on the ground
But I'm spinning 'round

[Verse]

Lost in a word I can't pronounce
Lost in a world that's left for chance
Stuck in a picture I didn't take
This black and white ache

[Pre-Chorus]

While they hunt for answers
You and I should stay
Together, undiscovered
We shall not be prey

[Chorus]

But oh, my God
Time will tear the ocean wide
My feet are on the ground
But I'm spinning 'round

(All I wanted)

All I wanted was what I thought I'd need
Turns out it was nothing
Nothing more than greed
All I wanted was what I thought I'd need (turns out)
Turns out it was nothing (it was nothing)
Nothing more than greed
Now
All my surfaces are clean
Nothing to rely on

Nothing to the sea
