

# Wild Beach

## Doja Cat

[Verse 1]

Let the waves carry you down to my doorstep  
Rest your weary souls on my shores, yeah  
Sand and the sun and the tropical breeze, yeah  
You can get away from the sharks in the seas, yeah

[Pre-Chorus]

Wild out, make a name  
Stars is out, freaky time  
Sink the ship, take a dip  
Coconut, take a sip  
Wildfire, dance around  
Wear my gold like a crown  
Where we've been, given doubt  
Where we are? In the wild now

[Chorus]

Wild beach  
Can't control these wild things  
Can't you see you're drowning?  
Tryna tame a wild beast, I'm a wild beach  
It's like you're tryna tame a wild beast, I'm a wild beach  
I'm a wild beach, I'm a wild beach

[Verse 2]

Boy, you must be crazy  
Must be out of my mind  
Feel like I'm stranded but it go hand in hand  
'Cause we free to live that life  
Now see that though  
Pretty in a drop top, we gon' blow  
Palm trees in a Backwood, he on both knees  
Make it pop-pop, I don't need no doors  
If crib pop-itty, I don't need more hoes  
See no evil even if she won't go  
Dijon chico with the neon coat  
Got a vision of the sun, I just see more gold and

[Pre-Chorus]

Wild out, make a name

Stars is out, freaky time  
Sink the ship, take a dip  
Coconut, take a sip  
Wildfire, dance around  
Wear my gold like a crown  
Where we've been, given doubt  
Where we are? In the wild now

[Chorus]

Wild beach

Can't control these wild things  
Can't you see you're drowning?  
Tryna tame a wild beast, I'm a wild beach  
It's like you're tryna tame a wild beast, I'm a wild beach  
I'm a wild beach, I'm a wild beach

[Outro]

Every day it feels like the weekend  
Every day could be summer season  
Relax your mind with me all weekend  
Under jungle, roll in my leaves, yeah  
Every day it feels like the weekend  
Every day could be summer season  
Relax your mind with me all weekend  
Under jungle, roll in my leaves, yeah  
Meow meow meow meow meow
