

Brown Eyes

Lady Gaga

[Intro]

It's in time with it

[Verse 1]

In your brown eyes, I walked away
In your brown eyes, I couldn't stay
In your brown eyes, you'll watch her go
Then turn the record on and wonder what went wrong
What went wrong?

[Chorus 1]

If everything was everything, but everything is over
Everything could be everything if only we were older
I guess it's just a silly song about you
And how I lost you and your brown eyes

[Verse 2]

In your brown eyes, I was feeling low
'Cause the brown eyes, and you never know
Got some brown eyes, but I saw her face
I knew that it was wrong
So baby, turn the record on
Play that song

[Chorus 1]

Where everything was everything, but everything is over
Everything could be everything if only we were older
I guess it's just a silly song about you
And how I lost you and your brown eyes
Brown eyes

[Chorus 2]

Everything was everything, but baby it's the last show
Everything could be everything, but it's time to say goodbye
So get your last fix, and your last hit
Grab your old girl with her new tricks
Honey, yeah, it's no surprise that I got lost in your brown eyes
In your brown eyes

[Outro]

Brown, brown eyes
Your brown eyes
Brown, brown eyes
Got some brown eyes
Brown, brown eyes
Your brown eyes
