

# Wildest Dreams

Taylor Swift

[Intro]

[Verse 1]

He said, "Let's get out of this town  
Drive out of this city, away from the crowds"  
I thought, "Heaven can't help me now"  
Nothing lasts forever  
But this is gonna take me down

[Pre-Chorus 1]

He's so tall and handsome as hell  
He's so bad, but he does it so well  
I can see the end as it begins  
My one condition is

[Chorus]

Say you'll remember me  
Standing in a nice dress  
Staring at the sunset, babe  
Red lips and rosy cheeks  
Say you'll see me again  
Even if it's just in your  
Wildest dreams, ah-aah, haa  
Wildest dreams, ah-aah, haa

[Verse 2]

I said, "No one has to know what we do"  
His hands are in my hair, his clothes are in my room  
And his voice is a familiar sound  
Nothing lasts forever  
But this is gettin' good now

[Pre-Chorus 2]

He's so tall and handsome as hell  
He's so bad, but he does it so well  
And when we've had our very last kiss  
My last request, it is

[Chorus]

Say you'll remember me

Standing in a nice dress  
Staring at the sunset, babe  
Red lips and rosy cheeks  
Say you'll see me again  
Even if it's just in your  
Wildest dreams, ah-aah, haa (Ah-aah, haa)  
Wildest dreams, ah-aah, haa

[Bridge]

You'll see me in hindsight, tangled up with you all night  
Burnin' it down  
Someday when you leave me, I'd bet these memories  
Follow you around  
You'll see me in hindsight, tangled up with you all night  
Burning (Burning) it (It) down (Down)  
Someday when you leave me, I'll bet these memories  
Follow (Follow) you (You) around (Around)  
(Follow you around)

[Breakdown]

Say you'll remember me  
Standing in a nice dress  
Staring at the sunset, babe  
Red lips and rosy cheeks  
Say you'll see me again  
Even if it's just pretend

[Chorus]

Say you'll remember me  
Standing in a nice dress  
Staring at the sunset, babe  
Red lips and rosy cheeks  
Say you'll see me again  
Even if it's just in your (Pretend, just pretend)  
Wildest dreams, ah-aah, ha (Ah-aah-aah-aah-aah-hafhaa)  
In your wildest dreams, ah-aah, haa  
Even if it's just in your  
Wildest dreams, ah-aah, haa  
In your wildest dreams, ah-aah, haa
