

Strangers In the Night

Frank Sinatra

Strangers in the night exchanging glances
Wondering in the night
What were the chances we'd be sharing love
Before the night was through.
Something in your eyes was so inviting
Something in your smile was so exciting
Something in my heart
Told me I must have you.
Strangers in the night
Two lonely people we were strangers in the night
Up to the moment
When we said our first hello.
Little bit we know
Love was just a glance away
A warm embracing dance away, and
Ever since that night we've been together.
Lovers at first sight, in love forever.
It turned out so right
For strangers in the night.
Love was just a glance away
A warm embracing dance away.
Ever since that night we've been together.
Lovers at first sight, in love forever.
It turned out so right
For strangers in the night.
