

Through With You

Maroon 5

[Verse 1]

Can you see me
Floating above your head
As you lay in bed
Thinking about everything
That you did not do?
'Cause saying "I love you"
Has nothing to do with meaning it

[Verse 2]

And I don't trust you
'Cause every time you're here
Your intentions are unclear
I spend every hour waiting for a phone call
That I know will never come
I used to think you were the one
Now I'm sick of thinking anything at all

[Chorus]

You ain't ever coming back to me
And that's not how things were supposed to be
You take my hand just to give it back
No other lover has ever done that

[Verse 3]

Do you remember the way we used to melt?
Do you remember how it felt when I touched you?
Oh, 'cause I remember very well

[Bridge]

And how long has it been
Since someone you let in
Has given what I gave to you?
And at night when you sleep
Do you dream I would be there
Just for a minute or two, do you?

[Chorus]

You ain't ever coming back to me
That's not how things were supposed to be

You take my hand just to give it back
No other lover has ever done that

[Chorus]

Heartache, heartache, I just have so much
A simple love with a complex touch
And there is nothing you can say or do
I called to let you know I'm through with you
You ain't ever coming back to me
And that's not how things were supposed to be
You take my hand just to give it back
No other lover has ever done that
Heartache heartache I just have so much
A simple love with a complex touch
And there is nothing you can say or do
I called to let you know I'm through
I called to let you know I'm through
I called to let you know I'm through with you

[Outro]

I ain't ever coming back to you
