

# Any Other World

MIKA

[Verse 1]

In any other world  
You could tell the difference  
And let it all unfurl  
Into broken remnants

[Pre-Chorus 1]

Smile like you mean it  
And let yourself let go

[Chorus]

'Cause it's all in the hands of a bitter, bitter man  
Say goodbye to the world you thought you lived in  
Take a bow, play the part of a lonely, lonely heart  
Say goodbye to the world you thought you lived in

To the world you thought you lived in

[Verse 2]

I tried to live alone  
But lonely is so lonely, alone  
So, human as I am  
I had to give up my defences

[Pre-Chorus 2]

So I smiled and tried to mean it  
To let myself let go

[Chorus]

'Cause it's all in the hands of a bitter, bitter man  
Say goodbye to the world you thought you lived in  
Take a bow, play the part of a lonely, lonely heart  
Say goodbye to the world you thought you lived in

To the world you thought you lived in

[Chorus]

'Cause it's all in the hands of a bitter, bitter man  
Say goodbye to the world you thought you lived in  
Take a bow, play the part of a lonely, lonely heart

Say goodbye to the world you thought you lived in

To the world you thought you lived in

[Outro]

Say goodbye to the world you thought you lived in

Say goodbye to the world you thought you lived in

Say goodbye

In any other world

You could tell the difference

[Outro, spoken]
