

# Zipper

Jason Derulo

Imma mark my territory  
Shawty I'm an animal, slowly digging into you  
Spread you like a bad story  
Turn you to a criminal  
Let me see you cock it back  
Bang bang bang on it  
Till the headboard break  
Make me think that I wanna put a ring on you  
But first I'll make you sing for me  
And all the ladies say I-I-I-I-I-I wanna ride-ide-ide-ide-ide  
(All aboard)  
I-I-I-I-I-I wanna ride-ide-ide-ide-ide  
Up and down like a zipper  
Zipper, zipper, zipper, zipper, zipper, zipper, zipper, zipper  
Up and down like a zipper  
Zipper, zipper, zipper, zipper, zipper, zipper, zipper, zipper  
I could be sweet, lady  
Or eat it like a cannibal  
Go places that you may can't go  
In my back seat baby  
You're smoking like some good good  
Once I hit that good good  
Make me beg beg for it  
Mama taught you well  
Cause it ain't about booty but the brain baby  
Now let me hear you sing to me  
And all them ladies say I-I-I-I-I-I wanna ride-ide-ide-ide-ide  
(All aboard)  
I-I-I-I-I-I wanna ride-ide-ide-ide-ide  
Up and down like a zipper  
Zipper, zipper, zipper, zipper, zipper, zipper, zipper, zipper  
Up and down like a zipper  
Zipper, zipper, zipper, zipper, zipper, zipper, zipper, zipper  
She like wearing my snapbacks  
She got that snap-back  
So if I ever wanna leave  
I'll be right back  
Ooh girl  
I need it  
Ooh girl  
Got me feening  
You a go-girl

I never go girl  
Cause when you surfing in my bed  
I'll be like go girl  
Ooh girl  
I need it  
Ooh girl  
Got me feening I-I-I-I-I wanna ride-ide-ide-ide-ide  
(All aboard)  
I-I-I-I-I-I-I wanna ride-ide-ide-ide-ide  
Up and down like a zipper  
Zipper, zipper, zipper, zipper, zipper, zipper, zipper, zipper  
Up and down like a zipper  
Zipper, zipper, zipper, zipper, zipper, zipper, zipper, zipper Up and down  
Up and down
