

Privilege

The Weeknd

Enjoy your privileged life
'Cause I'm not gonna hold you through the night
We said our last goodbyes
So let's just try to end it with a smile And I don't wanna hear that you are suffering
You are suffering, no more
'Cause I held you down when you were suffering
You were suffering Blues away, way, way
I got two red pills to take the blues away
Blues away, way, way
I got two red pills to take the blues away And I'ma fuck the pain away, and I know I'll be okay
They said our love is just a game, I don't care what they say
But I'ma drink the pain away, I'll be back to my old ways
And I got two red pills to take the blues away, oh
(I don't wanna hear that no more, no more)
(No more, no more)
(I don't wanna hear that no more)
