

# Really Don't Care (feat. Cher Lloyd)

Demi Lovato

You wanna play, you wanna stay, you wanna have it all  
You started messin' with my head until I hit the wall  
Maybe I should've known, maybe I should've known  
That you would walk, you would walk out the door, hey Said we we're done and met someone  
and brought it in my face  
Cut to the part, she broke you're heart, and then she ran away  
I guess you should've known, I guess you should've known  
That I would talk, I would talk But even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh, oh, oh, I really don't care! Even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh, oh, oh, I really don't care!  
Oh, oh, oh, I really don't care! I can't believe I ever stayed up writing songs about you  
You don't deserve to know the way I used to think about you  
Oh no, not anymore, oh no, not anymore  
You had your shot, had your shot, but you let go Now if we meet out on the street I won't be  
running scared  
I'll walk right up to you, and put one finger in the air  
And make you understand, and make you understand  
You had your chance, had your chance But even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh, oh, oh, I really don't care! Even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh, oh, oh, I really don't care!  
Oh, oh, oh, I really don't care! Yeah, listen up! Hey, hey, never look back  
Dumb struct boy, ego intact  
Look boy! Why you so mad?  
Second guessin', but you should've hit that Hey Demi, you picked the wrong lova'  
You shoulda picked that one, he's cuter than the other  
I just wanna laugh 'cause you're tried to be a hipster  
Kick em' to the curb, take a polaroid picture But even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh, oh, oh, I really don't care! Even if the stars and moon collide  
I never want you back into my life  
You can take your words and all your lies  
Oh, oh, oh, I really don't care! Oh, oh, oh, I really don't care!
