\*\*Yo Come On Move This Shake That Body  
Shake That Body  
Shake That Body  
Shake That Body People dont you know, dont you know  
Its about time  
Can you hear the jam is pumpin  
While you taste the piece of mine  
Many different flavors  
And the bass is strong  
Get into the hot stuff  
Let me pour a little some  
Baby let me show you how to do this  
You've gotta move this
