

Planetary (GO!)

My Chemical Romance

There might be something outside your window
But you just never know
There could be something right past the turnpike gates
But you'll just never know If my velocity starts to make you sweat
Then just don't let go
And if their heaven ain't got a vacancy
Then we just, then we just, then we just
Then we just get up and go!
Ladies and gentlemen
Truth is now acceptable
Fame is now injectable
Process the progress
This core is critical
Faith is unavailable
Lives become incredible
Now, please understand that
I can't slow down
I won't be waiting for you
I can't stop now
Because I'm dancing
This planet's ours to defend
Ain't got no time to pretend
Don't fuck around
This is our last chance
If my velocity starts to make you sweat
Then just don't let go
'Cause the emergency room got no vacancy
Then we just, then we just, then we just
Then we just get up and go! (Who) they want you to be
(Who) they wanted to see
(Go) kill the party with me
And never go home
(Who) they want you to be
(Who) they wanted to see
Just leave the party with me
And never go home You're unbelievable
Ah, so unbelievable
Ah, you ruin everything
Oh, you better go home
I'm unbelievable
Yeah, I'm undefeatable
Yeah, let's ruin everything

Blast it to the back row
They sell presentable
Young, and so ingestible
Sterile and collectible
Safe, and I can't stand it
This is a letter
My word is the berretta
The sound of my vendetta
Against the ones who planned it If my velocity starts to make you sweat
Then just don't let go
'Cause the emergency room got no vacancy
Tell me, who do you trust, do you trust?
Then we just get up and go! (Who) they want you to be
(Who) they wanted to see
(Go) kill the party with me
And never go home
(Who) they want you to be
(Who) they wanted to see
Just leave the party with me
And never go home You keep eternity
Give us the radio
Deploy the battery
We're taking back control
Engage the energy
Light up the effigy
No chance to take it slow
By now I'm sure you
Know, know, know, know, know, know
(1, 2, 3, go!)
Get up and go! (Who) they want you to be
(Who) they wanted to see
(Go) kill the party with me
And never go home
(Who) they want you to be
(Who) they wanted to see
Just leave the party with me
And never go home Are we still having fun?
Are you holding the gun?
Take the money and run
We'll never go home
I've got nothing to lose
You've got nothing to say
And we're leaving today
We'll never go home I think I'm gonna go now
I think I'm gonna go now
I think I better go now
Going to go now, going to go now
Going to go now, going to go now
Go now, going to go now

Go home!
