

Two Is Better Than One (feat. Taylor Swift)

Boys Like Girls

I remember what you wore on the first day
You came into my life and I thought, hey
You know this could be something 'Cause everything you do and words you say
You know that it all takes my breath away
And now I'm left with nothing So maybe it's true
That I can't live without you
And maybe two is better than one
But there's so much time
To figure out the rest of my life
And you've already got me coming undone
And I'm thinking two is better than one
I remember every look upon your face The way you roll your eyes, the way you say
You make it hard for breathing
'Cause when I close my eyes and drift away I think of you and everything's okay
I'm finally now believing
That maybe it's true
That I can't live without you
And maybe two is better than one But there's so much time
To figure out the rest of my life
And you've already got me coming undone
And I'm thinking two is better than one
I remember what you wore on the first day
You came into my life and I thought, hey
Maybe it's true
That I can't live without you
And maybe two is better than one
There's so much time
To figure out the rest of my life
And you've already got me coming undone
And I'm thinking, ooh
I can't live without you
'Cause baby, two
Is better than one
There's so much time
To figure out the rest of my life
But I figured out with all that's said and done
Two is better than one
Two is better than one
