## Us

## Regina Spektor

They made a statue of us

And put it on a mountain top

Now tourists come and stare at us

Blow bubbles with their gum

Take photographs, have fun, have funThey'll name a city after us

And later say it's all our fault

Then they'll give us a talking to

Then they'll give us a talking to

'Cause they've got years of experienceWe're living in a den of thieves

Rummaging for answers in the pages

We're living in a den of thieves

And it's contagious

And it's contagious

And it's contagious

And it's contagious

We wear our scarves just like a noose

But not 'cause we want eternal sleep

And though our parts are slightly used

New ones are slave labor you can keepWe're living in a den of thieves

Rummaging for answers in the pages

We're living in a den of thieves

And it's contagious

And it's contagious

And it's contagious

And it's contagious They made a statue of us

They made a statue of us

The tourists come and stare at us

The sculptor's mama sends regards

They made a statue of us

They made a statue of us

Our noses have begun to rust

We're living in a den of thieves

Rummaging for answers in the pages

We're living in a den of thieves

And it's contagious

## And it's contagious
