

Me and You

Barry Louis Polisar

Me and you singing on the train
Me and you listening to the rain
Me and you we are the same
Me and you have all the fame
We need
Indeed
You and me are we

Me and you are singing in the park
Me and you are waiting for the dark
Me and you we are the spark
Me and you lighting candles in the dark
We say
Someday
There will be a new way

Me and you singing to the birds
Me and you not saying a word
Me and you wouldn't think its absurd
That's because you and I have heard
We can fly
As high as the sky
If we try

Me and you singing on the train
Me and you listening to the rain
Me and you we are the same
Me and you have all the fame
We need
Indeed
You and me are we

Me and you are waiting for the dawn
Me and you and all the places we've gone
Me and you are sitting on the lawn
Me and you are singing our song;
A rhyme to shine
And to pass the time

Me and you are singing to all

Me and you are having a ball
Me and you are drawing on the wall
Me and you falling our call
To be like a tree
Just as free and easy

Me and you singing on the train
Me and you listening to the rain
Me and you we are the same
Me and you have all the fame
We need
Indeed
You and me are we
