

Lose Control

Evanescence

You don't remember my name
I don't really care
Can we play the game your way?
Can I really lose control? Just once in my life
I think it'd be nice
Just to lose control- just once (With all the pretty flowers) in the dust Mary had a lamb
His eyes black as coals
If we play very quiet, my lamb
Mary never has to know
Just once in my life
I think it'd be nice
Just to lose control- just once
If I cut you down to a thing I can use
I fear there'll be nothing good left of you
(Vocalization)
Just to lose control, just once
