Push It

Static-X

Go!Corrosive
Tainted by my sin
I'm spilling blood and I can hardly contain it
Corrosive
Hallowing the hand
Stiffened, I eat away
Eat, eat into the surfaceYeah, you push it
Yeah, you push it
Yeah, you push it
You push it

Explosive, more violent, more violent
All consuming throbbing straight to the circle
Explosive, move on reaction

You push it

I slow it down, I slow it

Down, down, down, downYeah, you push it

Yeah, you push it

Yeah, you push it You push it

You push it

You push itI see it, I need it

I see it, I need itMy mind is corrosive

I trip on corrosive

I freak, see through me

My eyes are explosive

I feed on it

Black out, crucify meYeah, you push it

Yeah, you push it

Yeah, you push it You push it

You push it

You push it Yeah, you push it

Yeah, you push it

Yeah, you push it You push it

You push it

You push it
