

Before I Forget

Slipknot

Stapled shut inside an outside world
And I'm sealed in tight
Bizarre but right at home I'm claustrophobic closing in
And I'm catastrophic I'm smeared across the page and doused in gasoline
I wear you like a stain
Yet I'm the one who's obscene Catch me up on all your sordid little insurrections
I've got no time to lose
I'm just caught up in all the cattle Fray the strings
Throw the shapes
Hold your breath
I am a world before I am a man
I was a creature before I can stand
I will remember before I forget
Before I forget that I am a worm before I am a man
I was a creature before I can stand up
I will remember before I forget
Before I forget that I'm ripped across the ditch and settled in the dirt
And I wear you like a stitch
Yet I'm the one who's hurt Pay attention to your twisted little indiscretions
I've got no right to win
I'm just caught up in all the battles Locked in clutch
Pushed in place
Hold your breath
I am a world before I am a man
I was a creature before I can stand
I will remember before I forget
Before I forget that I am a world before I am a man
I was a creature before I can stand
I will remember before I forget
Before I forget that My end, it justifies my means
All I ever do is delay
My every attempt to evade
The end of the road and my end It justifies my means
All I ever do is delay
My every attempt to evade
The end of the road I am a world before I am a man
I was a creature before I can stand
I will remember before I forget
Before I forget that I am a world before I am a man
I was a creature before I can stand
I will remember before I forget
Before I forget that I am a world before I am a man

I was a creature before I can stand
I will remember before I forget
Before I forget that
