## Jason Derulo

[Intro]

Oh yeah, love, love, love, love  
Love, love, love, love with my ex  
I am still in love, love, love, love  
Love, love, love, love with my ex

[Verse 1]

I know you can't stand me and when you're angry  
Something about that just turns me on  
You're such a diva but I didn't need ya  
But when you're close, it's the same old song  
I'm all over you, you're all over me

[Pre-Chorus]

I hate that you loved me so good, so good  
I can't live with or without you, I'm hooked, I'm hooked

[Chorus]

Babe, it's so unusual, so unusual  
How you want it, you want it  
But the feeling's mutual, it's so mutual  
And I'm on it, I can't stand it  
I am still in love, love, love, love  
Love, love, love, love with my ex  
I am still in love, love, love, love  
Love, love, love, love with my ex  
Love with my ex

[Verse 2]

I see other people just to be evil  
It hurts to watch you do the same thing  
But from a distance, girl, I was missing  
That you would come back like a boomerang and  
I'm all over you, you're all over me

[Pre-Chorus]

I hate that you loved me so good, so good  
I can't live with or without you, I'm hooked, oh, I'm hooked

[Chorus]

Babe, it's so unusual, so unusual (hey)  
How you want it, you want it  
But the feeling's mutual, it's so mutual (mutual)  
And I'm on it, I can't stand it  
I am still in love, love, love, love  
Love, love, love, love with my ex (yeah, baby, baby)  
I am still in love, love, love, love (c'mon)  
Love, love, love, love with my ex (woah)  
Love with my ex (oh, yeah, woah)  
Love with my ex  
Love with my ex

[Bridge]

Even though we broken up, broken up, baby  
I still wanna lay you down, lay you down  
We may be the perfect match because opposites attract  
We don't wanna leave right now, leave right now  
'Cause I'm all over you, you're all over me

[Chorus]

Babe, it's so unusual, so unusual (usual)  
How you want it, you want it (baby)  
But the feeling's mutual, it's so mutual (oh, baby)  
And I'm on it, I can't stand it  
I am still in love, love, love, love (in love, love, love, love)  
Love, love, love, love with my ex (in love, love, love, love)  
I am still in love, love, love, love (with my ex, with my ex)  
Love, love, love, love with my ex  
Love with my ex
