

Money

Cardi B

[Verse 1]

Look, my bitches all bad, my niggas all real
I ride on his dick, in some big tall heels
Big fat checks, big large bills
Front, I'll flip like ten cartwheels
Cold ass bitch, I give Ross chills
Ten different looks and my looks all kill
I kiss him in the mouth, I feel all grills
He eat in the car, that's meals on wheels (Woo!)

[Chorus]

I was born to flex (Yes)
Diamonds on my neck
I like boardin' jets, I like mornin' sex (Woo!)
But nothing in this world that I like more than checks (Money)
All I really wanna see is the (Money)
I don't really need the D, I need the (Money)
All a bad bitch need is the (Money)
I got bands in the coupe (Coupe)
Bustin' out the roof
I got bands in the coupe (Coupe)
Touch me, I'll shoot (Bow)
Shake that little ass (Money)
Get a little bag and take it to the store (Store, money)
Get a little cash (Money)
Shake it real fast and get a little more (Money)
I got bands in the coupe (Coupe)
