

Snitch

Netsky & Aloe Blacc

[Verse 1]

I ain't fuckin' with you no more
'Cause you a snitch and that's a no-no
Yeah, you been talkin' what you don't know
You s'posed to keep it on the low-low-low-low
I had to hear it from my bro-bro
He showed it to me on the photo
When you see me, you better go-go
'Cause you been snitchin', that's a no-no-no-no

[Pre-Chorus]

Tellin' all my secrets, yeah, that's where you fucked up
You the one who leaked it, no, no, that ain't what's up
I ain't gotta tell you, you gon' learn the hard way
Better turn around when you see me in the hallway
I do this every day, all day
I got game and I don't play
Plus I know where your mama stay
Tellin' all my secrets, you gon' learn the hard way

[Chorus]

(Hey)

You a snitch, that's a no-no (No-no)
Said you a snitch, that's a no-no (No-no)

[Verse 2]

I swear I knew it when I met you
I should go that way and forget you (That way)
But I was playin' Mr. Nice Guy
And now I'm askin' myself, "Why, why, why, why?"
You only care about your damn self (About your damn self)
You ain't got no respect for no one else (For no one else)
You must be crazy, must be loco (Loco)

You such a snitch, and that's a no-no-no-no
