Not In That Way

Sam Smith

And I hate to say I love you When it's so hard for me And I hate to say I want you When you make it so clear You don't want meI'd never ask you cause deep down I'm certain I know what you'd say You'd say I'm sorry believe me I love you but not in that way And I hate to say I need you I'm so reliant I'm so dependant I'm such a foolWhen you're not there I find myself singing the blues Can't bear Can't face the truthYou will never know that feeling You will never see through these eyesI'd never ask you Cause deep down I'm certain I know what you'd say You'd say I'm sorry Believe me I love you But not in that way You'd say I'm sorry Believe me I love you But not in that way
