

If I Go

Ella Eyre

I could play any game for you
I could say what you want me to
I could lie, I could lie
'Cause you're wanting a little more
And I'm stuck in the middle of, boy
But I try, but I try
And I need time, and I need space
I need to live without your face But if I go will you love me?
Will you love me until I can
Do you know will you want me?
Will you want me like that?
And if I leave, will it end?
Will you need me again?
If I go, will you love me?
Will you love me when I come back?
I could be what you want me to
Can you hold out and let me do what I want?
What I want?
Tell me how long could you wait till you move on
And tell me that it's too late! It's too late! But if I go will you love me?
Will you love me until I can
Do you know will you want me?
Will you want me like that?
And if I leave, will it end?
Will you need me again?
If I go, will you love me?
Will you love me when I come back? Ooh, boy
Will you love love
Nooooo ooh oh oh
But if I go will you love me?
Will you love me until I can
Do you know will you want me?
Will you want me like that?
And if I leave, will it end?
Will you need me again?
If I go, will you love me?
Will you love me when I come back?
