

Love the One You're With

The Isley Brothers

[Verse 1]

If you're down and confused
And you don't remember who you're talking to
Concentration slips away
Because your baby is so far away

[Chorus]

Well, there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love, honey
Love the one you're with
You got to love the one you're with
You got to love the one you're with
You got to love the one you're with

[Verse 2]

Don't be angry, don't be sad
Don't sit crying talking 'bout the good times you've had
Well, there's a girl sitting right next to you
And she's just waiting for something to do

[Chorus]

Well, there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love, honey
Love the one you're with
You got to love the one you're with
You got to love the one you're with

[Bridge]

Doo, doo, doo, doo, doo, doo, doo doo
Doo, doo, doo, doo, doo, doo, doo doo
Doo, doo, doo, doo, doo, doo, doo doo
Doo doo doo, doo doo doo

[Chorus]

Oh, love the one you're with
You got to love the one you're with
You got to love the one you're with

Why don't you love

[Verse 3]

Turn your heartaches right into joy, now
She's a girl, yeah, and you're a boy
I want you to get it together and make it nice
Well, you ain't gonna need anymore advice

[Chorus]

Hey, there's a rose in a fisted glove
And the eagle flies with the dove
Sometimes you can't be with the one you love, honey
Love the one you're with
You got to love the one you're with
You got to love the one you're with
You got to love the one you're with
You got to love the one you're with
You gotta love (Love the one you're with)
You gotta love (Love the one you're with)
Oh, love (Love the one you're with)
You gotta love (Love the one you're with)
Whoa yeah (Love the one you're with)
You gotta love, love the one you're with
(Love the one you're with)
You gotta love (Love the one you're with)
Well

[Outro]

Doo, doo, doo, doo, doo, doo, doo doo
Doo, doo, doo, doo, doo, doo, doo doo
Doo, doo, doo, doo, doo, doo, doo doo
Doo doo doo, doo doo doo
