

# Not Falling Apart

## Maroon 5

Ooh...Danced all night, slept all day  
Careless with my heart again  
Fearless when it comes to playing games You don't cry, you don't care  
Afraid to have a love affair  
Is that your ghost or are you really there? Now I can't walk, I can't talk anymore  
Since you walked out the door  
And now I'm stuck living out that night again  
I'm not falling apart Ooh, oh Weather on a sunny day  
Time slows down; I wish you'd stay  
Pass me by in crowded, dark hallways  
Mmm  
Try my hardest not to scream  
I find my heart is growing weak  
So leave your reasons on the bathroom sink Now I can't walk, I can't talk anymore  
Since you walked out the door  
And now I'm stuck living out that night again  
I'm not falling apart I heard you say you needed me now  
What's the problem I can't see  
You destroyed me, I won't fall apart again  
I'm not falling apart Take what you wanted  
I will be just fine  
You will be better off alone at night  
Waiting and falling  
Constantly calling out your name  
Will it ever change?  
Now I can't walk, I can't talk anymore  
Since you walked out the door  
And now I'm stuck living out that night again  
I'm not falling apart I heard you say you needed me now  
What's the problem I can't see  
You destroyed me, I won't fall apart again  
I'm not falling apart Ohh, ooh
