

Sex on the Ceiling

Sevyn Streeter

1 Fuck a mattress, being on the floor
Imma need ya to do a little more yea oh The Shower is overrated
Baby I anticipated tonight
It's when we gon do. ohh Pre- Turn the bed upside down, flip me round
Gravity's left the building
I'll be on top, really I'll be on the bottom
'Cuz we gon be having sex on the ceiling Take me higher, take me higher boy
Switch it up one time
Want you to drive me crazy
Baby we gon have sex on ceiling
I ain't gon ever ever wanna come down boy
Ima have you standing up when I'm around boy
So whenever you get that feeling Baby we gon have sex on ceiling
2 Nothin beneath us but the carpet
I need some furniture, let's get it started... ohh
But my body is orthopedic Victoria, gave me the secret
And I've been saving it for you
I turn the TV up, up, up, up I'm so tired of droppin it low
To the top don't stop, let's go
Pre- Turn the bed upside down, flip me round
Gravity's left the building
I'll be on top, really I'll be on the bottom
'Cuz we gon be having sex on the ceiling
Take me higher, take me higher boy
Switch it up one time Want you to drive me crazy
Baby we gon have sex on ceiling
I ain't gon ever ever wanna come down boy
And I have you standing up when I'm around boy
So whenever you get that feeling
Baby we gon have sex on ceiling
I turn the TV up, up, up, up
I'm so tired of droppin it low
To the top don't stop, let's go
I turn the TV up, up, up, up
Baby take me. A little higher
You can be my one desire
I'm so tired of droppin it low
Til the jump don't stop, let's go
Repeat
