Cold Beer Calling My Name (feat. Luke Combs)

Jameson Rodgers

It's been one of them clock it in, knock it out, clock it out
'Bout to?kick?off the weekend
There's?a stretch of blacktop, I ain't?never seen a cop
So I'm pushing it a little past?ten
Pulled?a?little money from?the bank, put?it in the tank
Shined up the windshield glass
Don't know where the night might lead, ain't nowhere to be
But I gotta get there fastThere's a cold beer calling my name
Feel a good time coming, got a new song humming
And the sunset's doing its thing
Feeling lucky as a seven, yeah sometimes Heaven
Is a pocket full of payday green
And my baby putting sugar on me
Yeah, it's sure been a pretty damn good day
And there's a cold beer calling my name, yeah
If there's a hillbilly rock show, I'll be in the front row
Holding up a red Bic flame
Or a wraparound porch with a citronella torch
Yeah, you know I'm down either way
There's a chance that tonight might be a night that we
Ain't ever gonna forget
Yeah, everybody's turning it up, I got a little buzz
And I ain't even had one yetThere's a cold beer calling my name
Feel a good time coming, got a new song humming
And the sunset's doing its thing
Feeling lucky as a seven, yeah sometimes Heaven
Is a pocket full of payday green
And my baby putting sugar on me
Yeah, it's sure been a pretty damn good day
And there's a cold beer calling my name
It's calling my name
Yeah, there's a cold beer calling my name
Oh yeah it is
Yeah, I'm gonna put a little chill in my weekend
Stay up all night, maybe sleep in
I'm gonna sip a little something
And I ain't gotta worry 'bout nothing 'cause
There's a cold beer calling my name
Cold beer calling my nameThere's a cold beer calling my name
Feel a good time coming, got a new song humming

And the sunset's doing its thing
Feeling lucky as a seven, yeah sometimes Heaven
Is a pocket full of payday green
And my baby putting sugar on me
Yeah, it's sure been a pretty damn good day
And there's a cold beer calling my name
It's calling my nameCold beer calling my name
It's calling my name
Yeah, I'm gonna put a little chill in my weekend
