

# How Low

## Ludacris

How low can you go?How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?How low can you go?How low can you go?  
How low can you go?How low can you go?  
How low can you go?  
She could go lower than I ever really thought she could  
Face down, ass up!  
The top of your booty jiggling out your jeans  
Baby pull your pants up  
I like it when I see you do it  
Better than I've ever seen it done beforeA lot of women drop it to the ground  
But how low can you go?  
Lower than your mama's ever seen it in her life time  
Never would've imagined did not even in her right mind  
Practice in front of that mirror  
Now you doing it on the dance floor  
Mad cause I can't get wit ya chick just show me how to dance (OH!)  
I may not wanna get low so I post it up kinda like a playa do  
But if you come to the crib  
Then I might show you girls a thang or two  
Yea I think you a superstar wit a ass like that you gotta blow  
Before you make it big  
There's just one thing that I gotta know  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
How low can you go?  
Go low, (Go low) lower than you know  
Go low, (Go low) lower than you know  
Go low, (Go low) lower than you know  
Go low, (Go low) lower than you know

[illegible]

How low can you go?  
Go low, (Go low) lower than you know  
Go low, (Go low) lower than you know  
Go low, (Go low) lower than you know  
Go low, (Go low) lower than you know
