

Makin' Plans

Miranda Lambert

[Verse 1]

If I ever left this town
I'd never settle down
I'd just be wandering around
If I ever left this town
If I wasn't by your side
I'd never be satisfied
Nothing would feel just right
If I wasn't by your side

[Chorus 1]

'Cause I'm not easy to understand
But you know me like the back of your hand
I'm your girl and you're my man
And we're makin' plans
Mmm, mmm

[Verse 2]

We can go on and on
Won't ever feel too long
I'll always call you home
And we'll go on and on

[Chorus 2]

'Cause I know you like the back of my hand
Got a heart of gold and a piece of land
I'm your girl and you're my man
And we're makin' plans
Mmm, mmm
