

# Lovers on the Sun (feat. Sam Martin)

David Guetta

Let's light it up, let's light it up  
Until our hearts catch fire  
Then show the world a burning light  
That never shined so bright We'll find a way, we'll find a way  
To keep the cold night  
From breaking in over the walls  
Onto the wild side  
The hunger satisfied  
We're burning up  
We might as well be lovers on the sun  
We might as well be lovers on the sun  
We might as well be lovers on the sun We'll never know, we'll never know  
What stands behind the door  
But I got a feeling  
And it's a feeling that it's worth dying for Just close your eyes and hold your breath  
Because it feels right  
We'll keep it moving until we make it to the other side  
And let's enjoy the ride We're burning up  
We might as well be lovers on the sun  
We might as well be lovers on the sun  
We might as well be lovers on the sun  
Let's light it up, let's light it up  
Until our hearts catch fire  
Then show the world a burning light  
That never shined so bright
