 (Wow!)
 I'd rather die before I compromise
 So don't expect me to give up my rights to sign a dotted line!
 (That's real!)
 Bitch, better back up don't waste any of my time
 I'm plannin' on bustin' the kind of menium to hang a corporate nigga to the ceiling by a suit and
 tie
 I do not comply and do not conform
 Proceed if you want to but you have been warned
 Set up a meeting or schedule a date, if the offer is bogus you will get ignorreeedddd
 (Yep!)
 Extension like a cord bitch
 Blow that contract up and toss it cause you can't afford SwizZz
 Or Diz
 Or Hop
 Suck and swallow four cocks
 Funk Vol-ume got you rattled like a door stop!
 I'll pick it back up for a minute now pause and take a flick
 My eyes are black and my towels' orange and we hotbox in this damn whip
 I got juice all in my cup, I've got work all in my mind

 But he made a comeback, how does he do this!?"
 (Wow!)
 Don't nobody know but me
 I'm where I'm supposed to be
 My flow's supreme
 I'm livin' life most folks would dream
 And I go so hard I could coach your team

 Hmm, now you wanna sign me? Cause everybody wanna hear me more?
 Ya'll didn't give a fuck when I nearly poor

 And now you want a nigga to give you his whole life and soul, well okay it's right here my Lord
 Please take it! (Please take it)
