

I Promise You

Selena Gomez & The Scene

[Verse 1]

I know that my love for you is real
It's something true that we do
Just something natural that I feel
When you walk in the room, when you're near
I feel my heart skip a beat, the whole world disappears

[Pre-Chorus 1]

And there's just you and me
Falling head over feet
Let's take a chance together

[Chorus]

I know, I know, I know, I know, we gonna make it
'Cause no one else can make me feel the way that you do
I promise you
I know, I know, I know, I know, we gonna get there
Today, tomorrow, and forever we will stay true
I promise you

[Verse 2]

They say that we're just too young to know
But I'm sure, heart and soul, that I am never letting you go
When it's right, it's right, and this is it
'Cause I'm walking on air every single time that we kiss

[Pre-Chorus 2]

You make the angels sing
You give that songbird wings
You make everything better

[Chorus]

I know, I know, I know, I know, we gonna make it
'Cause no one else can make me feel the way that you do
I promise you
I know, I know, I know, I know, we gonna get there
Today, tomorrow, and forever we will stay true
I promise you

[Bridge]

I'll never let you down
I'll always hear you out
There is nothing you cannot confide
You listen when I speak
You make my knees go weak
And I just want you by my side

[Chorus]

I know, I know, I know, I know, we gonna make it (Make it)
'Cause no one else can make me feel the way that you do
I promise you
I know, I know, I know, I know, we gonna get there
Today, tomorrow, and forever we will stay true
I promise you

[Outro]

We gonna make it
I promise you
Yeah, yeah, yeah
I promise you
I promise you
I promise you
