[Pre-Chorus]

Cry for me baby, cry for us all  
Cry it away, all night long

Cry for me, cry, cry for me  
Cry for me, cry

[Pre-Chorus]

Cry for me angel, cry for us all  
Do it for me 'cause we gotta be strong oh

[Chorus]

Cry for me, cry, cry for me  
Cry for me, cry, cry for me  
Cry for me, cry, cry for me  
Cry for me, cry  
Cry for me, cry, cry for me  
Cry for me, cry

[Pre-Chorus]

Cry for me baby, cry for us all  
Cry it all away, all night long

[Chorus]

Cry for me, cry, cry for me  
Cry for me, cry, cry for me  
Cry for me, cry for me  
Cry for me, cry for me  
Cry for me, cry for me  
Cry for me (cry and you cry)  
Cry for me, cry for me (cry and you cry)  
Cry for me, cry for me (cry and you cry)  
Cry for me, cry for me (cry for me)  
Cry for me

[Verse]

Baby, Baby I've been numb too long  
Your cries, they hypnotize, they lead me home  
So take the pain and scream out for us all

Cause baby, baby, I've been numb too long  
(So baby just cry)

[Pre-Chorus]

Cry for me baby, cry for us all  
Cry it all away, all night long (cry for me)

[Chorus]

Cry for me, cry, cry for me  
Cry for me, cry

[Pre-Chorus]

Cry for me angel cry for us all  
Do it for me 'cause we gotta be strong

[Chorus]

Cry for me, cry, cry for me  
Cry for me, cry, cry for me
