

Ooh So Sexy

Jon B.

(Chorus)

Ooh so sexy you got that natural
The Way you move it ooh that's crazy
So amazing, I'm getting faded
That way you move it ooh that's crazy

Ooh so sexy you got that natural
The way you move it ooh that's crazy
So amazing, I'm getting faded
off you so intoxicated

(Verse One)

Pretty feet with open toes
Scent of your neck is like a fresh red rose
X-ray vision piercing through your clothes
But I really can't wait to see you naked though
The way your body moves and you dip it slow
I try to play it cool but gotta let you know
The way it's lookin I can tell you wanna go.

Now we at the house and we're all alone
With no interruptions you turn off the phone,

Got the radio on and its playin your song
Touchin on your body all night long
Feels so right that it can't be wrong
