

Like a Star

Corinne Bailey Rae

Songwriters: Bailey Rae, Corinne;

Just like a star across my sky

Just like an angel off the page

You have appeared to my life

Feel like I'll never be the same

Just like a song in my heart

Just like oil on my hands

Oh, I do love you

Still I wonder why it is

I don't argue like this

With anyone but you

We do it all the time

Blowing out my mind

You've got this look I can't describe

You make me feel like I'm alive

When everything else is a fade

Without a doubt you're on my side

Heaven has been away too long
Can't find the words to write this song

Oh, your love

Still I wonder why it is

I don't argue like this

With anyone but you

We do it all the time

Blowing out my mind

I have come to understand

The way it is, it's not a secret anymore

'Cause we've been through that before

From tonight I know that you're the only one

I've been confused and in the dark, now I understand

I wonder why it is

I don't argue like this

With anyone but you

I wonder why it is

I won't let my guard down

For anyone but you

We do it all the time

Blowing out my mind

Just like a star across my sky

Just like an angel off the page

You have appeared to my life

Feel like I'll never be the same

Just like a song in my heart

Just like oil on my hands
