

Back to your Place

October London

Ah, baby
I've been looking at you all night
Oh, baby, I've been thinking 'bout you (thinkin' 'bout you)
And all of the things I want to do
Once the day becomes the night
Said I've been patient, and I've been kind
Oh, but my body is runnin' out of time
You said your clock on your walls is tickin'
So let me give you what you've been missing (ooh)
So she said
Take me, oh, take me, baby
Oh, baby
Take me back to your place
Ooh, your place of residence
So she said
Take me, oh, take me, baby
Oh, baby
Take me back to your place
Ooh, your place of residence
Oh, I've been waiting, baby
Waiting for a long time (waiting on you)
For your heart to be mine
Oh, before someone else comes to mind
But when you
Oh, when you told me
That I was the one, girl (oh, baby)
I took every hour and minute, babe
Just to make sure that everything is right
So she said
Take me, oh, take me, baby
Oh, baby
Take me back to your place (your place)
Ooh, your place of residence (oh, your place, baby)
So she said
Take me, oh, take me, baby
Oh, baby
Take me back to your place
