

# What the Hell Did I Say

Dierks Bentley

[Verse 1]

Woke up this mornin' with my cellphone ringin'  
She said, "I know that when you called me, you were drinking  
But I loved every single word you left on my phone  
And I know you're hung-over but I'm comin' on over"  
Did I say we'd go shoppin', That I'd Louis Vuitton her  
That I'd Rodeo Drive her, Slide a Tiffany diamond on her

[Chorus]

What the hell did I say  
When I called last night  
Drippin' words of whiskey honey  
In that message that she liked  
What the hell did I say  
Gotta dial it up again  
Un-blackout those lines that fell out drunk at 3 am  
What the hell did I, hell did I, hell did I say  
What the hell did I, hell did I, hell did I say

[Verse 2]

Last thing I remember, I was thinking I'd call her up and  
Put her on speaker while the whole bar sang Free Bird  
Had that phone in my hand when I ran into trouble  
My friend comin' over with a couple of doubles

[Chorus]

What the hell did I say  
When I called last night  
Drippin' words of whiskey honey  
In that message that she liked  
What the hell did I say  
Gotta dial it up again  
Un-blackout those lines that fell out drunk at 3 am  
What the hell did I, hell did I, hell did I say  
What the hell did I, hell did I, hell did I say

[Bridge]

Did I say we'd go shoppin', That I'd Louis Vuitton her  
That I'd Rodeo Drive her, Slide a Tiffany diamond on her?  
Did I tell her she could move in and we'd fly out to Vegas

Champagne all the way and we'd get married by Elvis

[Chorus]

What the hell did I say  
When I called last night  
Drippin' words of whiskey honey  
In that message that she liked  
What the hell did I say  
Gotta dial it up again  
Un-blackout those lines that fell out drunk at 3 am  
What the hell did I, hell did I, hell did I say  
What the hell did I, hell did I, hell did I say

[Outro]

What the hell did I say?  
What the hell did I say?
