

# Next to Me

Emeli Sandé

You won't find him drinking at the table

Rolling dice and staying out til 3

You won't ever find him being unfaithful

You will find you will find him next to me

You won't find him trying to change the devil

For money fame power out of grief

You won't ever find him where the rest go

You will find him find him next to me

Next to me ooooh

Next to me ooooh

Next to me ooooh

You will find him you'll find him next to me

When the end has come and buildings falling down fast

When we spoilt the land and dried up all the sea

When everyone's lost their head all around us

You will find him you'll find him next to me

Never in my life have i met someone like him

I'm blown away by his love for me

If you ever wonder where it is you'll find him

You will find him you will find him next to me

Next to me ooooh

Next to me ooooh

Next to me ooooh

You will find him you'll find him next to me

When the moneys spent and all my friends have vanished

And I can't seem to find no help or love for free

I know there's no need for me to panic

Cause I'll find him I'll find him next to me

When the skies are grey and all the doors are closing

And the rising pressure makes it hard to breathe

All i need is a helping hand to stop the tears from

falling

I will find him will find him next to me

Next to me ooooh

Next to me ooooh

Next to me ooooh

You will find him you'll find him next to me

Next to me ooooh

Next to me ooooh

Next to me ooooh

You will find him you'll find him next to me
