Voices call, they call out my name, (my name, my name)
They say i'm different well i'm not the same (the same)
you say you want
to be like me (like me, like me)
well boy let me tell you,
you didn't know what i've seen. They say the devil
lives in my soul
(my soul, my soul)
i promise not to let him
take control
I'm minding
my own business.
i ain't doing
nothing wrong
i ain't doing
nothing wrong. Shadows follow
so close behind me
i look in the mirror
i don't like what i see.
Oh god, can't you help me
get out of here?
(here, here)
I feel like i'm living
deep in hell.
I'm minding
my own business
i ain't doing
nothing wrong
(black) I'm minding
my own business
i ain't doing
nothing wrong
I'm minding,
i'm minding my own.
i ain't doing
nothing wrong
i ain't doing
nothing wrong
Nothing wrong
