

What About Love

Austin Mahone

I, I'm feeling your thunder
The storm's getting closer
This rain is like fire And my, my world's going under
And I can't remember
The reason that you cut off the light You're moving on, you say
Here I stay
I'll take this pain, yeah
I can't, I can't What about love?
What about our promises?
What about love?
You take it all and leave me nothing
What about love?
What about us to the end?
What about love?
You cut my wings, now I am falling
What about love?
What about love? Why you're colder than winter?
You're switching the picture
You used to be perfect, yeah
Once you're hot like the summer
Please help me remember
The reason that you said, "Bye, bye, bye" You're moving on, you say
Here I stay
I'll take this pain, yeah
I can't, I can't
What about love?
What about our promises?
What about love?
You take it all and leave me nothing What about love?
What about us to the end?
What about love?
You cut my wings, now I am falling
What about love?
What about love? Uh, uh, uh, uh, uh, uh, uh, uh
What about, what about love?
Uh, uh, uh, uh, uh, uh, uh, uh
What about, what about love?
Uh, uh, uh, uh, uh, uh, uh, uh
What about, what about love?
Uh, uh, uh, uh, uh, uh, uh, uh
What about, what about love? You're moving on, you say
Here I stay

Watching every night get colder
You're moving on, you say
Here I stay
I'll take this pain, yeah
I can't, I can't
What about love?
What about our promises?
What about love?
You take it all and leave me nothing
What about love?
What about us to the end?
What about love?
You cut my wings, now I am falling
What about love?
What about, what about love?
What about?
What about love?
What about, what about love?
What about?
What about love?
