

# Invisible Man

98°

[Intro]

Hoh hoh hoh

Yeah

[Verse 1]

You can hardly wait to tell all your friends  
How his kisses taste sweet like wine  
And how he always makes your heart skip a beat  
Every time he walks by  
And if you're feeling down  
He'll pick you up  
He'll hold you close when you're makin' love  
He's everything you've been dreaming of  
Oh baby

[Chorus]

I wish you'd look at me that way  
Your beautiful eyes lookin' deep into mine  
Telling me more than any words could say  
But you don't even know I'm alive (oh hoh hoh)  
Baby to you all I am  
Is the invisible man (yeah)  
(Ohoh, you don't see me baby)

[Verse 2]

You probably spend hours on the phone  
Talkin' 'bout nothing at all (talkin' 'bout nothing at all)  
It doesn't matter what the conversation  
Just as long as he called (ohhhhh)  
Lost in a love so real  
And so sincere  
And you wipe away each other's tears (all of those tears)  
Your face lights up whenever he appears  
Ohhhhhh

[Chorus]

I wish you'd look at me that way (look at me that way)  
Your beautiful eyes lookin' deep into mine (deep into mine)  
Telling me more than any words could say  
But you don't even know I'm alive (you, don't, know, that I'm alive)  
Baby to you all I am  
Is the invisible man (you don't see me)

[Bridge]

I see you all the time baby (you don't see me)

The way you look at him (you don't see me)  
I wish it was me sweetheart  
Boy I wish it was me  
But I guess I'll never be...

[Chorus]

I wish you'd look at me that way  
Your beautiful eyes lookin' deep into mine (deep into mine)  
Telling me more than any words could say  
But you don't even know I'm alive (you don't even know I'm alive)  
Baby to you all I am  
Is the invisible man

[Chorus]

I wish you'd look at me that way (look at me that way)  
Your beautiful eyes lookin' deep into mine (deep into mine)  
Telling me more than any words could say  
But you don't even know I'm alive (hoh, no no no)  
Baby to you all I am  
Is the invisible man

[Outro]

Hoh hoh hoh  
Oh baby  
The invisible man  
You don't see me girl  
But I love you  
Yes I love you  
The invisible man  
Hoh hoh hoh  
Yeah yeah  
The invisible man  
Baby baby baby  
Yeah  
The invisible man
